

pacific earth works inc.

Pacific Earth Works, Inc. is an award winning landscape construction firm that has served the greater Seattle area for the past 30 years. We are currently bidding on **Salishan Hope VI Redevelopment Area 2B Bid Package 2.2—Infrastructure Landscape and Irrigation**. The project is in Tacoma and bids July 31, 2009 at 3:00 PM. The work is scheduled for completion in winter / spring 2010.

The Salishan Hope VI project offers many opportunities for subcontractors and material suppliers. We are actively seeking sub-bids and / or material pricing for the following items:

- Landscape Irrigation
- Irrigation Sub meters
- Site Furnishings
- Play Equipment
- Wood Chip Resilient Surfacing
- Rubberized Resilient Surfacing
- Trees, Shrubs and Groundcovers
- Tree Staking Materials
- Topsoil
- Mulch
- Mulch Blowing
- Landscape Stone
- Stone Setting
- Hydroseeding
- Fertilizers
- Landscape Maintenance

Subcontractors and material suppliers may view documents at our office or at the Walsh Construction Company jobsite office (3900 Roosevelt Avenue, Tacoma, WA 98404); or, view the documents on Builders Exchange – go to Walsh website address at http://www.bxwa.com/bxwa_toc/generals/walsh.html. The project will be found under the "Projects Bidding" link. The user name is "walsh" and the password is "safety". In addition, the drawings may be viewed at the following plan centers:
